Dear Doctor:

Described below is a verbal order that you recently communicated to us. Federal regulations require that we must perform test only at your written or electronic request.

***Please review our documentation of your telephone request for correctness, provide ICD-10CM or diagnosis information as required by federal regulation**, sign in the indicated area and fax this document to us within 24 hours.*

Please remember when ordering laboratory tests that are billed to Medicare/Medicaid, or other federally funded programs that only tests that are medically necessary for the diagnosis or treatment of the patient should be ordered. Medicare does not pay for screening tests except for certain, specifically approved procedures and may not pay for non-FDA approved tests or those tests considered experimental.
